"Do you have anything to drink?".Men and women of the Hand had joined together on Roke a hundred or more years ago, forming a league of mages. Proud and secure in their powers, they had sought to teach others to band together in secret against the war makers and slave takers until they could rise openly against them. Women had always been leaders in the league, said Ember, and women, in the guise of salve sellers and net makers and such, had gone from Roke to other lands around the Inmost Sea, weaving a wide, fine net of resistance. Even now there were strands and knots of that net left. Medra had come on one of those traces first in Anieb's village, and had followed them since. But they had not led him here. Since the raid, Roke Island had isolated itself wholly, sealed itself inside powerful spells of protection woven and rewoven by the wise women of the island, and had no commerce with any other people. "We can't save them," Ember said. "We couldn't save ourselves..".these festivals, and, perhaps, in the performance of spells of magic..forbade the teaching of any word of the True Speech to women, and though this proscription was..settle. Nothing about him appeared..So he cherished his free hours as if they were actual meetings with her. He had always loved her, but had not understood that he loved her beyond anyone and anything. When he was with her, even when he was down on the docks thinking of her, he was alive. He never felt entirely alive in Master Hemlock's house and presence. He felt a little dead. Not dead, but a little dead..He stood there a long time before he went down through the high grasses and the sparkweed. At the..dark..the wine merchant there. He was glad to send his wizard along as bodyguard, for the wine was..other, only me, what would I want a name for?".everything he said was true, and his voice was moved and gentle as he said, "I could have known it..of a fountain. The girl, wearing a bright dress that was quite ordinary, which encouraged me, held..The Hand, a loose-knit league or community concerned principally with the understanding and the ethical use and teaching of magic, was established by men and women on Roke Island about a hundred and fifty years after Maharion's death. Perceiving the Hand as a threat to their hegemony, the mage-warlords of Wathort raided Roke, and killed almost all the grown men of the island. But the Hand had already stretched out to other islands all around the Inmost Sea. As the Women of the Hand, the community survived for centuries, maintaining a tenuous but vigorous network of information, communication, protection, and teaching..fingers on the metal surface of the table, and from the wall jumped a nickel claw, which tossed a..wary of them, but he had never known one with skill and power equal to his own..put him on a ship for Roke. They thought maybe the Masters there could tame him..".Dragonfly peered close at Rose's work. Rose brought out a maggot, dropped it, spat on it, and probed again. The girl leaned up against the ewe, and the ewe leaned against the girl, giving and receiving comfort. Rose extracted, dropped, and spat on the last maggot, and said, "Just hand me that bucket now." She bathed the sore with salt water. The ewe sighed deeply and

suddenly walked out of the yard, heading for home. She had had enough of medicine. "Bucky!" Rose shouted. A grubby child appeared from under a bush where he had been asleep and trailed after the ewe, of whom he was nominally in charge although she was older, larger, better fed, and probably wiser than he was..From the breast of his robe he took a pouch of fine leather decorated with silver threads. With a delicate horn spoon tied to the pouch he lifted the few drops of quicksilver from the cup and placed them in it, then retied the thong..a bouquet of pale pink flowers; nestling her face in them, she smiled at the boy with her eyes. At."We do not teach women here," said the Windkey. "You know that.".His spies had been coming to him for a year or more muttering about a secret insurgency all across.Quite early on, impatient with wooing her massive physical indifference, he had worked up a charm.. "I thought it would be a spell of Change," she said..them nights, brooding on where and how he might extend his empire..So little Diamond grew up in the finest house in Glade, a fat, bright-eyed baby, a ruddy, cheerful boy. He had a sweet singing voice, a true ear, and a love of music, so that his mother, Tuly, called him Songsparrow and Skylark, among other loving names, for she never really did like "Diamond." He trilled and caroled about the house; he knew any tune as soon as he heard it, and invented tunes when he heard none. His mother had the wisewoman Tangle teach him The Creation of Ea and The Deed of the Young King, and at Sunreturn when he was eleven years old he sang the Winter Carol for the Lord of the Western Land, who was visiting his domain in the hills above Glade. The Lord and his Lady praised the boy's singing and gave him a tiny gold box with a diamond set in the lid, which seemed a kind and pretty gift to Diamond and his mother. But Golden was a bit impatient with the singing and the trinkets. "There are more important things for you to do, son," he said. "And greater prizes to be earned.".He saw her now more clearly than he had seen her in the tower. He saw her more clearly than he had.Very few people ever spoke to Gelluk unless he compelled them to. The spells by which he silenced..showered with a fine powder of disintegrating, dying fireflies, black, gold. At the very edge, a.Gelluk caught his breath. Presently he said, very softly, "Can you read the runes?".They call this the Otter's House," he said. "Very old. As old as the Great House. Everything is.The Deed of Enlad, a good deal of which appears to be purely mythical, concerns the kings before."I'll bring food," he said, and strode on, quickening his pace so that he vanished soon, though not so abruptly as the Namer, in the light and shadow under the trees. Irian watched till he was certainly gone and then made her way through high grass and weeds to the little house..Brown Bucca, his favorite, shook herself and said her name a few times. The others said nothing.. "Why can't I give myself my own true name?" Dragonfly asked, while Rose washed the knife and her hands in the salt water..and waft them over the sea in a magic boat flying before the magewind. But when he told her they'd."Oh, bonses! Do you want a bonse?".Golden reassured him that the wizard had actually said so, though of course what kind or a gift remained to be seen. The boy's modesty was a great relief to him.. "What if you got to be a wizard! Oh! Think of the stuff you could teach me! Shapechanging -- We.She could see his mind dance ahead of hers, taking up and playing with ideas, transforming them as.the north shore of O, at Ilien, Leng, Kamery, and O Port, and then headed west to carry the.people there would be - I don't know.
