"That's a nice thought, ma'am, but we're under orders and have to stay here. We appreciate it though." And then he frowned. It was happening again. She knew damn well they had to stay there..But without a steady supply of new converts to sustain it, the enthusiasm of the politically active early years of the voyage had waned. For a while she had absorbed herself in a revived dedication to her original calling by attending specialist courses in the Princeton module on such subjects as gene-splicing, and extending her activities later to include research and some teaching at the high-school level. Her research work at Princeton and her teaching
