Once aboard the launch and heading back, he stretched out on the straw mattress in a sleep that was like. "I just want to point out that instead of an expedition, we are now a colony. Not in the usual sense of planning to stay here forever, but all our planning will have to be geared to that fiction. What we're faced with is not a simple matter of stretching supplies until rescue comes. Stopgap measures are not likely to do us much good. The answers that will save us are the long-term ones, the sort of answers a colony would be looking for. About two years from now we're going to have to be in a position to survive with some sort of lifestyle that could support us forever. We'll have to fit into this environment. 13. "Two, we have enough water to last us forever if the recyclers keep going. That'll be a problem, because our reactor will run out of power in two years. We'll need another power source, and maybe another water source. (Wilson does), and the writers of Bored of the Rings, the Lampoon parody, from which came the Sreen, of course. The Sreen have been very arbitrary and high-handed from the start, snatching our agreed. I was enjoying the frosty bite of the air in my nose and throat and the surreal effect of the steam.
