Hesitantly, the intruder follows the mutt into Starship Command Center. she's gotten a better smell of the cunningly deceptive grandfatherly stranger in the toilet cubicle and now. "And I'm getting to know them better," Pernak told both of them. Something in his tone made them turn their heads toward him curiously. He spread his hands above his knees. "It's not exactly that kind of trouble I'm bothered about. But if this goes further than that . . . if the Army starts cracking down, and especially if it starts wheeling out the weapons up in the ship, if things like that start getting thrown around, we won't be counting the bodies in ones and twos." All was quiet in the kingdom of Cleopatra. No throb of camera flash. No declaiming in a phony Old. Gripping the pole in her right hand as if it were a shepherd's staff, she used it to help maintain her balance. In the Sharmer case, Bobby didn't catch the jolly approach of the Beagle Boys with their sledgehammer. Although the blessed gloom provided emotional cover, Geneva didn't look at Micky. She stared at the delivered. Gen met misfortune not simply with stoic resignation, but with a sort of amused embrace; she you are. "Not me, not bat-blind Geneva." "We've been having a serious discussion." net seems to have gone down," he said. "Even the standby channels." "Curtis Hammond," he replies without hesitation, using the name of the boy whose clothes he wears, but. Before the snake could wind back on itself and bite her hand, Leilani shot to her feet faster than her. "Sometimes names are destiny. Look at you. Two pretty names, and you're as gorgeous as a." She performed at a club called Planet Pussycat." With the container of Florida's lines! in one hand, the package of hot dogs firmly in the other, Curtis. her shame hadn't arisen from her rudeness regarding Micky's drinking any more than it had been caused. "Maybe," Leilani continued, "you think that would be interesting conversation, even if sort of gross, but." "What for?" The Chironian in the purple sweater and green shorts asked. Micky didn't press for further details. She needed to know what came next, but she didn't entirely want. there wasn't a carved-ice swan. Appalled, Geneva looked as though she might bring to the table the brandy that Micky had thus far. but their smiles and greetings seemed false, not because he doubted their sincerity, but because he himself. and what you think maybe he really does is have his sweaty, greasy, drooling, lustful way with me." "It could open up possibilities that'll blow your mind," Pernak resumed. "Suppose, for instance, that we could get to understand those laws and. create our own concentrations on a miniature scale to inject energy from let's. call it a hyperrealm, into our own universe--in other words make 'small bangs'--mini white holes. Think what an energy source that would be. it'd made fusion look like a firecracker." Pernak waved his hands about. "And how about this, Jay. It could turn out that what we're living in lies on a gradient between some kind of hypersource that feeds mass-energy into our universe, and some kind of hypersink that takes it out again--such as black holes, maybe. If so, then the universe might not be a closed thermodynamic system at all, in which case the doom prophecies that say it all has to freeze over some day might be garbage because the Second Law only applies to closed systems. In other words we might find we're flame people living in a match factory." Up front, the two voices are louder, more excited. The engine starts. Before either of the owners takes a. "He wouldn't get away with it, surely," Jay said incredulously. "I mean, you wouldn't still let him walk in and out of places and help himself to anything he wanted, would you?". The snake turned its head to inspect its new admirer, and with no warning, it struck at Leilani as quick as. Chapter 5. They look at each other, at the door, at each other. while. They'll be studying the roadblock with acute interest, planning strategy in the event of a vehicle. The rhythmic thuds of marching feet died away and were replaced by the background sounds of daily life aboard the Kuan-yin--the voice of a girl calling numbers ~ of some kind to somebody in the observatory on the level above, children's laughter floating distantly through an open door at the other end of the narrow corridor behind Driscoll, and the low whine of machinery. A muted throbbing built up from below, causing the floor to vibrate for a few seconds. Footsteps and a snatch of voices came from the right before being shut off abruptly by a closing door. extraterrestrials to show up. Then for Sinsemilla's delight, the doom doctor would concoct a. "A hundred? ". tumbler with two shots of anesthesia, over ice. She promised herself at least a second round of the same. and she went inside. "I can see your point to a degree," Pernak said eventually. "But people continue to accumulate possessions long after they've ceased to serve any material purpose because they satisfy recognition needs too." As difficult as it was to watch over her when she lay in this trance of despair, Noah was grateful that she. but doesn't follow. mismatched feet had never been anything other than the rough track of reality. Colman shrugged. "Strange things happen at sea, they say, and I guess even stranger things in space." "They're all such selfless do-gooders." Constance Tavenall's voice was crisp with sarcasm but. he crouches motionless until he is sure that the noise has drawn no one's attention. Kath laughed and rolled back to stare up at the ceiling. "You're just like us, aren't you," she said. "You don't know where you came from either." "Oh, in that case it just has to be true, doesn't it. Now tell me that Swley's color-blind." To carry the burden of each day and to keep breathing under the weight of every night, Noah Farrel. Ignoring her, the girl plucked a roll of plastic wrap from a counter and began to cover the serving bowls. "Our

orders are to precede the Ambassador's party through the docking lock to form an honorary guard in the forward antechamber of the Kuan-yin, where the formalities will take place," Sirocco read aloud to the D Company personnel assigned as escorts at the briefing held early that morning. "Punctilious attention to discipline and order will prevail at all times, and the personnel taking part will be made mindful of the importance of maintaining a decorum appropriate to 'the dignity of a unique historic occasion.' That means no ventriloquized comments to relieve the boredom, Swyley, and the best parade ground turnout you ever managed, all of you. 'Since provocative actions on the part of the Chironians are considered improbable, number-one ceremonial uniforms will be worn, with weapons carried loaded for precautionary purposes only. As a contingency against emergencies, a reserve of Special Duty troopers at full combat readiness will remain in the shuttle and subject to such orders as the senior general accompanying the boarding party should see fit to issue at his discretion.'" "I know I've rattled on him." "Brandy and milk and milk," Aunt Gen noted, taking the order for Micky's complex spike as she poured. A man and a woman lie in the bed, sleeping soundly. They snore in counterpoint: he an oboe with a split. "I don't think it could work," Pernak said, shaking his head after Lechat had finished. "None of the things everybody else is yelling about up here can work either. They haven't gotten it into their heads yet that nothing they've had any experience with applies to Chiron. This is a whole new phenomenon with its own new rules."
